Icon can be found in
the supplied media
toolkit from the AHA.

We share the **American Heart Association's** approach to improving patient outcomes across cardiovascular and stroke focus areas. That's why we embrace the latest science by participating in the **Get With The Guidelines[®]** program. This award recognizes our dedication to a high standard of care for all patients.

We've been recognized for observing those guidelines so that patients can live longer and healthier lives.

To view a more detailed description of how this award is measured, visit **www.heart.org/qualitymeasures**.
